

Engaged to Succeed Reseller Sign Up Promotion

**- Attention: Avaya & Cisco Resellers -
Become an Engage Contact Center Suite™ Certified Distributor Now
& Get Special Advantage Discounts for the Next Six Months!**

Engage Suite™ combines TelStrat's award-winning call recording technology, used in over 1500 systems worldwide, with an array of best-practice product technologies from across the contact center industry. Together, these yield an integrated, single-source, total contact center solution.

Please Your Customers & Build Your Business

Now virtually any size organization can capture complete customer interaction, maximize agent performance, and streamline workforce management using an affordable, easy-to-implement product suite. Engage is ideal for Avaya and Cisco customers and one of the surest means to build your business and add greater revenue possibilities to your company's bottom line.

Its modular design means your customers can start with call recording and add more capabilities as their needs grow, That means repeat sales opportunities for you. Engage brings your customers sophisticated capabilities that integrate flawlessly, deploy easily, and offer them maximum value for their money.

Coupled with Telstrat's exceptional sales support model, all this means you get shorter sales cycles and delighted customers. And, our outstanding pre-sale and post-installation support assures you smooth and rapid progress through every step of the selling and delivery process.
